**There are 5 options
for you to get involved ...**

Option #1 Tour 5 Locations

Join a Saturday afternoon tour. Groups up to 24 people can book a tour from 1 to 5 pm. We will transport you to 5 of our 6 locations, and in one afternoon you will see how UGM helps the least, the last and the lost through seven major ministries.

Option #2 Learn About Inner City Mission

Come and stay over Friday night. Men stay at 320 Princess St. and women stay at the Charis Centre. Groups can also stay together at the Family Life Centre. Breakfast and lunch on Saturday are included, along with the tour of 5 UGM locations. We can facilitate groups of up to 12 men and/or 12 women for this option. Come and see how UGM helps the least, the last and the lost through seven major ministries.

Option #3 Experience Inner City Ministry

Dive in for a week (or longer) of inner city ministry. You will live in a private room for the length of your stay and eat with the men or women in our recovery programs. Women have a private room at the Charis Centre, while men have a private room at 320 Princess St. You will volunteer in one or more areas of ministry, according to your interests.

Option #4 Group Volunteer Opportunities

Bring a group for a few hours or a day. We have several different service opportunities for your care group, youth group, church or Christian school. No group is too big or too small. See the back page for a few options and ideas on how you can join us in serving.

Option #5 Individual Opportunities

Have you thought about volunteering, but do not know where to start? Give us a call. There are many ways in which God can use your talents at UGM.

A few (but not limited to)
are listed on back page
