

God has a heart for the poor and we are here to help them. Wherever God will lead us and whoever He brings through our doors – we just want to love them and tell them, “There is hope. There is hope and His name is Jesus.”

“For years I read in the “Voices” about lives God has transformed through the work of UKiM. Since I retired, I have the pleasure of helping in the office one day a week.” Susan

“After trying a few volunteer positions, God led me to UKiM, where I've met many wonderful people who have encouraged me in my walk with Him. It is amazing how God uses our interests and talents when we want to serve Him.” Evelyn

“I have served the Lord at UKiM since 2007. I have found an indescribable opportunity for me to grow personally in my love for the Lord and His people. Each of us have a place in the body of believers, and we are each needed.” Carson

"Recently I had to deal with a lot of issues and found my way to UKiM. I find UKiM is a very Christian oriented mission. It's here to help people find their way to the Lord Jesus Christ." Frank

Family Ministry

The community attends Bible studies and other events. Guests receive meals, food, clothing for women and children and other help as they experience God's love.

Children & Youth

Children come to Jesus in after-school Bible clubs, clubs in schools and special events. Hundreds of children are sent to over a dozen Bible camps every summer.

Christian School

From Nursery to Grade 12, sponsored students receive an excellent Christian Education at Faith Academy. About 80 students are bused every day, and we bring Biblical counsel to the families.

Women's Addictions

The Charis Centre lovingly hosts women (and children) who want a new life. The Biblical help begins with a 30 Day program, and then moves to a one-year HEART program.

Men's Addictions

Broken and addicted men find hope in Christ while all their needs are met in our facilities. Chaplains guide the men over one year or longer, until they can re-enter society.

Street Ministry

Daily chapel services are followed by meals for the street guests. Dozens of churches participate. Clothing for men, showers for men and women, and other services are provided in the name of Christ.

Adult Education

Over 100 students have graduated from Grade 12, while others have learned to read. Dedicated Christian teachers share the Word of God while providing an excellent education.

"I just found myself down on my fortune ... feeling a little bit emotionally depressed and I found a lot of wisdom here in the words that were spoken. And it took me right out of it. That's why I come here." Douglas

"I attended their Charis Centre for six months and there I learned how to pray, how to have alone time with the Lord and just develop a strong relationship and foundation with the Lord." Monica
