"A few years before I retired in 1995, I attended a UGM meeting. I liked what I saw that evening and I said, "When I retire I want to volunteer at that place." I have been here for over 12 years and still enjoy the work at UGM. It is great to be involved in a place where we can see God at work. I plan to continue here as long as my health allows me to work. GOD IS GOOD!" – Peter

"I work in the kitchen. Over time, I have come to realize that I am blessed by serving. My journey with Jesus is enriched by being with all the people who encounter the UGM – staff, resident, and visitors. Jesus changes me as I serve." – Jack

"I come because this is where Jesus would serve. I have learned many valuable lessons here, because this is a place where people come whose reality is quite different from mine." – Rita

"After trying a few volunteer positions, God led me to UGM, where I've met many wonderful people who have encouraged me in my walk with Him. It is amazing how God uses our interests and talents when we want to serve Him." – Evelyn

"I enjoy working with the staff, other volunteers and other Christians who are in ministry at UGM, because we help each other. It is a great blessing because it is God who has brought us all together to be a part of His ministry on this earth, until He calls us home." – Stan (Stan went home to be with the Lord in Dec '07)

"I love to serve the Lord where I can. I enjoy the fellowship at the Mission. The meeting of the people is encouraging as well. It gives me the courage to continue to reach the lost for Christ." – Wes
