Substitute Teacher (Faith Learning Centre)

Union Gospel Mission Winnipeg is a non-profit evangelical, non-denominational Gospel Rescue Mission. Faith (Adult) Learning Centre (FLC) helps adult students (age 19-senior) towards completion of a Mature Student Diploma which is a provincially certified grade 12 credential. As a ministry of Union Gospel Mission, FLC believes that God cares about the learning of each student and we hope as we model our teaching after Jesus, the Master Teacher, that the students will also respond with growing and open hearts towards God.

Faith Learning Centre (FLC) has an URGENT/CRITICAL need for a certified high school English teacher who can substitute teach.

When needed (generally once or twice every six months) the hours would be 8:15 to 2:15 pm, however the workload might conceivably involve regular Tuesday/Thursday team teaching on account of special circumstances.

Flexible arrangements are possible – please consider if you are retired or working part time. Class sizes are small, and adult learners are very welcoming, appreciative and understanding. Immediate on-site and other direct support is also available. If you have any questions prior to application, please reach out for more details:
